You cordially are invited to attend an informational luncheon brought to you by the **Circle City Section** of the **American Society of Highway Engineers (ASHE)**. This organization is *open to all persons involved with the transportation industry*, i.e. engineers, technicians, inspectors, contractors, suppliers, etc...

The mission of ASHE is “To provide a forum for members and partners of the highway industry that supports education, innovation, and fellowship; promoting a safe and efficient highway system for mobility now and in the future.” ASHE provides the most broad-based inclusive organization for people involved in the highway and transportation industry. Membership dues will be as follows: \$25 one-time application fee and \$40 annual fee. Current National membership is approximately 6000.

Future Circle City Section meetings will continue to provide programs of real technical value and will extend a network opportunity with other people in your field and to discuss topics of mutual interest. *For a list of current affiliations please contact us.*

Space limitations require that ASHE limit attendance to the 50 people to register. Please RSVP by Tuesday November 3rd by contacting Jim Blazek 317-524-8385 jblazek@D2LWR.com , Alan Sutkowski 317-331-0388 asutkowski@D2LWR.com OR Joe Rogers 317-417-0385 joe.rogers@ads-pipe.com
